SH. DALU RAM CHAHAR | HON'BLE FOUNDER & DIRECTOR

## One man's vision for accessible professional education

Meet the visionary behind MGGC Institutions, Shri Dalu Ram Chahar, whose aspiration was to empower students not only from Rajasthan but across North India.

Coming from a humble background himself, Shri Dalu Ram dedicated his life to fostering higher education and professional courses in small towns and rural areas.

In just about two decades, MGGC has become a benchmark for academic excellence, advanced infrastructure and accomplished faculty.

*"MGGC has been driven by innovation, passion, and a commitment to excellence - redefining education to stay ahead."*

### Mission

To provide quality, accessible healthcare education that transforms students into competent, compassionate professionals.

### Vision

To become the leading healthcare education institution in North Rajasthan, recognised for academic excellence and clinical outcomes.

## ABOUT THE INSTITUTION

# North Rajasthan's healthcare education campus.

MGCC brings healthcare education into a focused campus setting: approved professional programmes, practical laboratories, clinical exposure, residential support and student development under one institutional umbrella.

## Practice First

Simulation labs, skill demonstrations and scheduled clinical exposure help students connect classroom learning with real healthcare environments.

## Recognized Pathways

Programmes are aligned with RUHS, INC, RNC, PCI, RANC, RSAPHC and other relevant councils for valid academic progression.

## Student Support

Hostels, mentoring, guest lectures, career guidance and community initiatives create a more complete professional foundation.
